**Ex Parte Quayle ACTION**

This application is in condition for allowance except for the following formal matters:

***Drawings***

Figure 24 should be designated by a legend such as --Prior Art-- because only that which is old is illustrated. See MPEP § 608.02(g). Corrected drawing sheets are required in reply to the Office action to avoid abandonment of the application. The replacement sheet(s) should be labeled "Replacement Sheet" in the page header (as per 37 CFR 1.84(c)) so as not to obstruct any portion of the drawing figures. If the changes are not accepted by the examiner, the applicant will be notified and informed of any required corrective action in the next Office action. The objection to the drawings will not be held in abeyance.

***Specification***

The title of the invention is not descriptive. A new title is required that is clearly indicative of the invention to which the claims are directed.

The following title is suggested: A CRYSTAL OSCILLATOR WITH TEMPERATURE COMPENSATED THROUGH A VIBRATOR CURRENT CONTROL CIRCUIT.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO** **MONTHS** from the mailing date of this letter.

**Statement of Reasons for Allowance**

Claims 1-5 are allowed.

The following is a statement of reasons for the indication of allowable subject matter: the best prior art of record, Kato et al., US Pub. No. 20020050867 A1, taken alone or in combination of other references, does not teach or fairly suggest a vibrator current controller as set forth in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Joseph Chang whose telephone number is 571 272-1759. The examiner can normally be reached on Mon-Fri 0700-1730.
